Advisory Action

Application No.

10/038,658

Applicant(s)

CLARK ET AL.

Examiner

Barry W Taylor

Art Unit

2643

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

THE REPLY FILED 29 June 2004 FAILS TO PLACE THIS APPLICATION IN CONDITION FOR ALLOWANCE. Therefore, further action by the applicant is required to avoid abandonment of this application. A proper reply to a final rejection under 37 CFR 1.113 may only be either: (1) a timely filed amendment which places the application in condition for allowance; (2) a timely filed Notice of Appeal (with appeal fee); or (3) a timely filed Request for Continued Examination (RCE) in compliance with 37 CFR 1.114.

PERIOD FOR REPLY [check either a) or b)]

- a) ☐ The period for reply expires _____ months from the mailing date of the final rejection.
- b) ☒ The period for reply expires on: (1) the mailing date of this Advisory Action, or (2) the date set forth in the final rejection, whichever is later. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of the final rejection. ONLY CHECK THIS BOX WHEN THE FIRST REPLY WAS FILED WITHIN TWO MONTHS OF THE FINAL REJECTION. See MPEP 706.07(f).

Extensions of time may be obtained under 37 CFR 1.136(a). The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

1. ☐ A Notice of Appeal was filed on _____. Appellant's Brief must be filed within the period set forth in 37 CFR 1.192(a), or any extension thereof (37 CFR 1.191(d)), to avoid dismissal of the appeal.
2. ☒ The proposed amendment(s) will not be entered because:
- (a) ☒ they raise new issues that would require further consideration and/or search (see NOTE below);
 - (b) ☐ they raise the issue of new matter (see Note below);
 - (c) ☐ they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal; and/or
 - (d) ☐ they present additional claims without canceling a corresponding number of finally rejected claims.

NOTE: See Continuation Sheet.

3. ☐ Applicant's reply has overcome the following rejection(s): _____.
4. ☐ Newly proposed or amended claim(s) _____ would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claim(s).
5. ☐ The a) ☐ affidavit, b) ☐ exhibit, or c) ☐ request for reconsideration has been considered but does NOT place the application in condition for allowance because: _____.
6. ☐ The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.
7. ☒ For purposes of Appeal, the proposed amendment(s) a) ☒ will not be entered or b) ☐ will be entered and an explanation of how the new or amended claims would be rejected is provided below or appended.

The status of the claim(s) is (or will be) as follows:

Claim(s) allowed: _____.

Claim(s) objected to: _____.

Claim(s) rejected: 1-35.

Claim(s) withdrawn from consideration: _____.

8. ☐ The drawing correction filed on _____ is a) ☐ approved or b) ☐ disapproved by the Examiner.
9. ☐ Note the attached Information Disclosure Statement(s) (PTO-1449) Paper No(s). _____.
10. ☐ Other: _____

Continuation Sheet (PTO-303)

The Examiner reviewed Applicant's remarks and amendments to claims with new issues. Amendments to independent 1 with newly adding at least the terms "receiving billing data from at least one service provider at a billing repository; storing the received billing data with associated information indicating whether the customer desires presentation of the billing information via a web-based billing application:" ... "extracting billing data from the", ... "the formatting including processing the billing data associated with each telephone number in accordance with the hierarchy", ... "in accordance with the associated information" changes the scope of independent claim 1 requiring further search and/or consideration. Amendments to independent claim 4 with newly adding at least the terms "the billing information including associated information indicating whether a customer desires presentation of the bill via a web-based billing application;" and sending the bill to customer "in accordance with the associated information" changes the scope of independent claim 4 requiring further search and/or consideration. Amendments to independent claims 7 and 16 with newly adding at least the terms "data and associated information indicating whether the customer desires presentation of billing information via a web-based billing application, " ... billing "data", ... "in accordance with the associated information." changes the scope of independent claims 7 and 16 requiring further search and/or consideration. Amendments to independent claim 25 with newly adding at least the terms "and associated information, indicating whether a customer desires to receive presentation of the billing statement via a web-based billing

Art Unit: 2643

application" ... billing "statement" to the customer "in accordance with the associated information." changes the scope of independent claim 25 requiring further search and/or consideration. Amendments to independent claim 30 with newly adding at least the terms "data" at the server from a billing repository, "including associated information indicating whether the customer desires presentation of the electronic billing information via a web-based billing application;" ... billing "data" ... "in accordance with the associated information." changes the scope of independent claim 30 requiring further search and/or consideration.
